

## LIMBA

### Suspended luminaires

LIMBA - Pendant luminaire for professional accent lighting in vintage design. The aluminum shade is colored on the outside and white on the inside as standard and a textile cable underlines the high-quality appearance. This makes LIMBA a decorative eye-catcher. Individual color combinations are available on request.

#### Ideal applications

Decorative eye-catcher to round off the store design  
Vintage look meets modern technology

#### Individual style

The choice of cable and shade colors allows you to create your own personal color scheme: design your own LIMBA with the Style Generator!)

#### Wide range of LEDs

Large selection between professional LED technology and filament lamps for E27 sockets

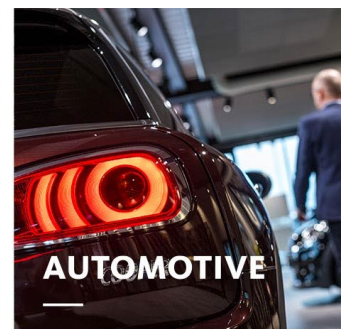

#### High quality of light

Opal acrylic ring for perfect glare control and long-distance effect

#### Quick reflector change

Five beam angles for optimum product illumination
